

A construction site at sunset. A large concrete slab is being lifted by a crane, suspended by heavy chains. A construction worker in a blue hard hat and safety vest stands in the foreground, looking towards the crane. The sky is filled with orange and yellow clouds, and the sun is visible on the horizon. The overall scene is in silhouette, emphasizing the shapes of the construction elements against the bright sky.

1º DE MAIO

DIA DO TRABALHO

Homenagem do SICEPOT-MG
a todos os trabalhadores
que contribuem de forma
importante para o
fortalecimento e crescimento
do Setor da Construção.
